

**DRAFT CLASS 3 PERMIT MODIFICATION
MUNITIONS TREATMENT FACILITY
YUMA PROVING GROUND
U.S. ARMY GARRISON YUMA**

The Arizona Department of Environmental Quality (ADEQ) hereby gives notice of its intent to approve a Class 3 Permit Modification request submitted by U.S. Army Garrison Yuma (USAGY). The permit modification would change the hazardous waste permit issued to USAGY on June 29, 2007, for the treatment of hazardous waste at the Yuma Proving Ground.

The permit modification: 1) updates the hazardous waste permit due to regulatory changes made since the permit was first issued; 2) clarifies that cleanups performed under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) and Resource Conservation and Recovery Act of 1984 (RCRA) programs are equivalent; and 3) updates the Permit with a list of sites that are subject to corrective action at Yuma Proving Ground. The list includes a description of each site and the status of any cleanup required by CERCLA or RCRA.

All data submitted by USAGY is available, as part of an administrative record, for the draft permit. A copy of the draft permit can be viewed at the Yuma County Library District – Main Branch, 2951 S. 21st Drive, Yuma, Arizona 85364 on Monday through Thursday from 9 a.m. – 9 p.m.; and on Friday and Saturday from 9 a.m. – 5 p.m. The library is closed on Sundays.
