Request for Public Comments

On Exceptional Events in the Greater Phoenix Area. In 2005, Congress identified a need to account for events that result in exceedances of the National Ambient Air Quality Standards (NAAQS) that are exceptional in nature (e.g., not expected to recur or caused by acts of nature beyond man-made controls). In response, EPA promulgated the Exceptional Events Rule (EER) to address exceptional events in 40 CFR Parts 50 and 51 (on March 22, 2007 (72 FR 13560)). On May 2, 2011, EPA released draft guidance documents on the implementation of the EER to State, tribal, and local air agencies for review. The EER allows for states and tribes to flag air quality monitoring data as an exceptional event. If flagged, these data can be excluded from consideration in air quality planning if EPA concurs with the demonstration submitted by the flagging agency, documenting that all procedural and technical requirements have been met. Pursuant to 40 CFR 50.14(c)(3)(i), the Arizona Department of Environmental Quality (ADEQ) is soliciting comments on its final demonstrations of events that have caused elevated concentrations of PM10 in the Greater Phoenix Area on February 19; July 18; August 3; August 18; August 25 through 28; September 2; October 4; November 4, 2011; January 21, 22, and February 27, 2012. ADEQ has decided to flag these episodes based on these analyses. Copies of the demonstrations are available for review beginning Monday, December 3, 2012, on the ADEQ website at www.azdeq.gov/airplan/. Interested parties can submit written comments throughout the comment period which will end at 5:00 p.m. on Tuesday, January 1, 2013. Any comments received will be responded to and forwarded to EPA with the final demonstrations. Written comments should be addressed, faxed, or e-mailed to: Andra Juniel, Air Assessment Section, Arizona Department of Environmental Quality, 1110 W. Washington Street, 3415-A, Phoenix, AZ 85007; PHONE: (602) 771-4417; FAX: (602) 771-2366; E-mail: juniel.andra@azdeq.gov. In addition to being available on-line, copies of the analyses are available for review at the following location: Arizona Department of Environmental Quality, Records Retention Center, First Floor, 1110 W. Washington Street, Phoenix, Arizona 85007; Attn: David Olivo, (602) 771-4380; E-mail: david.olivo@azdeq.gov.
