

ARIZONA DEPARTMENT OF ENVIRONMENTAL QUALITY
AIR QUALITY DIVISION
VOLUNTARY USE OF TIER 2/TIER 3 NONROAD EQUIPMENT
APPLICATION INSTRUCTIONS

In accordance with Arizona Revised Statutes §49-558 (House Bill 2538 - 2001 Regular Session), the Air Quality Division (AQD) has established a Web site listing those who have documented the voluntary purchase of Tier 2 and Tier 3 nonroad equipment. "Tier 2 and Tier 3 equipment" means equipment that meets Tier 2 or Tier 3 emissions standards for nonroad engines that are established in 40 Code of Federal Regulations Section 89.112, as amended on Oct. 23, 1998.

Eligibility

Equipment purchased or retrofitted that meets the standards as described in 40 Code of Federal Regulations Section 89.112, as amended on Oct. 23, 1998, are eligible.

Application Process

Completed applications will be accepted by mail. If an incomplete application is received, the department will notify the applicant regarding additional information needed to complete the application. The department reserves the right to request verification of any submitted information.

Required Information for All Applicants

- **Voluntary Use of Tier 2/Tier 3 Nonroad Equipment Documentation Application**
- **Statement of Assurance** – The statement of assurance for either individuals or businesses (see attached) must be signed and dated.
- **Sales Receipt or Proof of Services Rendered** – A copy of the sales receipt for newly purchased equipment and/or proof of services rendered for retrofit activities must be included with the application.

State of Arizona Disclaimer

The determination that a person or entity has documented the purchase, retrofit, or manufacture of Tier 2/Tier3 nonroad equipment in no way constitutes an endorsement of that person or entity. Neither the state of Arizona, nor the Department of Environmental Quality nor their officers, directors, agents or employees, guarantee the performance of a person or entity participating in this program.

Mail application, signed statement of assurance and required backup documentation to:
