Fleet Station Permit (A.A.C. R18-2-1019; LTF rule table 4, category 1)

This license is subject to license time frames (LTF) statute (A.R.S. §§ 41-1072 through 41-1079) and rule (A.A.C. R18-1-501 through R18-1-525). The following are the steps that an applicant must take in order to obtain this license:

1. Determine if this is the license you wish ADEQ to grant you.
2. Complete the enclosed application form. **Type or Print** all entries. The application must be signed by one of the following: The owner(s) of an individual business or partnership; a corporate officer of a corporation; Transportation Manager of a government agency or school district.
3. Complete the fleet agent authorization form. You are required to identify a fleet agent before ADEQ can consider your application for a fleet station permit. The fleet agent must be a person who is employed by the fleet, has passed the fleet agent examination, and who is in charge of day to day operations of the fleet station. In the Phoenix and Tucson areas tests are administered Monday through Friday, between 8:00am and 2:00pm, at the addresses printed at the bottom of the application. In the Phoenix area, tests are administered by **appointment only**, please call to schedule an appointment. **A completed agent authorization must be on file for agent license to be issued.**
4. Return the completed application to the appropriate address printed on the application.
5. Respond promptly to all requests for additional information by ADEQ during the application review process.

Licensing Time Frames requirements for this license are:

Administrative Completeness Review Time Frame	15 Business Days
Substantive Review Time Frame	<u>21 Business Days</u>
Overall Time Frame	36 Business Days

The LTF rule provides for a time frame suspension under certain limited circumstances to allow an applicant the opportunity to correct an application deficiency rather than face a summary denial under LTF statute. Please refer to the rule for more information.

Should you need additional information or assistance during the permit process call (602) 771-3959 in the Phoenix area, or (520) 628-5651 in the Tucson area.
