PERMIT MODIFICATION TO HAZARDOUS WASTE PERMIT

In accordance with Arizona Administrative Code (A.A.C.) R18-8-271.D(c)(1), the Arizona Department of Environmental Quality (ADEQ) has prepared a modification to the hazardous waste Permit for Clean Harbors Arizona, LLC (CHA), located at 1340 West Lincoln Street, Phoenix, Arizona (see Site Location Map, below). The facility is currently operating under a Permit issued pursuant to A.A.C. Title 18, Chapter 8 (40 Code of Federal Regulations (CFR) §264). The draft Permit modification proposes the following changes to the Permit:

- 1) To add a corrective action schedule of compliance (CASOC) to the Permit. The Permittee will be required to comply with the CASOC for existing and newly-identified solid waste management units at the facility.
- 2) To incorporate new hazardous waste fee rules applicable to Permits, Permit modifications, and Closure Plans. Effective July 1, 2012, these rules authorize an increase in fees that ADEQ collects for the review of Permit applications and Permit modification requests.
- 3) To submit work plans and reports in accordance with the CASOC as Class 1 Permit Modification requests. Such Class 1 Permit modifications are subject to public notification and comment. The draft Permit modification proposes the addition of a new Permit Attachment (Attachment L) where approved corrective action work plans and reports are incorporated into the Permit.
- 4) To clarify that the Permittee may appeal final determinations made by the Director on corrective action work plans and reports. The Permittee may also request an informal settlement conference, in accordance with A.R.S. §41-1092.06.
- 5) Minor corrections to the Permit.

No changes to facility design or facility operation are proposed or authorized by this draft Permit modification.

The public comment period opens on March 17, 2013 and closes on May 2, 2013. A copy of the draft Permit modification with only the updated sections and attachments is available for public review at the Burton Barr Central Library (Government Documents, 2nd Floor), 1221 North Central Avenue, Phoenix, on Monday, Friday, and Saturday 9 a.m. – 5 p.m.; Tuesday, Wednesday, and Thursday 9 a.m. – 9 p.m.; and Sunday 1 p.m. – 5 p.m. The draft Permit with all sections and attachments is available for public review, Monday through Friday (excluding state holidays), 8:30 a.m. to 4:30 p.m., at the ADEQ Records Center, 1110 West Washington Street, Phoenix, Arizona, 85007.
