

APPENDIX F  
FINANCIAL ASSURANCE

---

Financial assurance instrument will be procured based on the Closure/Post-Closure Cost Estimate for the constructed initial cell following construction but prior to initial acceptance of waste. The Closure/Post-Closure Cost Estimate and a copy of the Financial Assurance instrument will be submitted to Arizona Department of Environmental Quality (ADEQ) as part of the Construction Certification Report for the initial cell, which must be reviewed and approved by ADEQ prior to waste acceptance. Following approval of the Construction Certification Report, a copy of the Financial Assurance instrument will be placed and maintained in this Appendix.
