

## **Recycling Research and Development Grant Summary**

### **Apache County**

“Apache County Materials Recovery Facility”

Milton Ollerton

70 West 3<sup>rd</sup> South

St. Johns, AZ 85936

Requested Funds: \$60,000

Apache County has requested funding to conduct a recycling feasibility study to identify the diverse recycling needs of Apache County citizens as well as the viability of establishing a Materials Recovery Facility in the county. The regional landfill has experienced a 70% increase in municipal, household, construction and commercial waste since 2002. The proposed study will provide the County proper direction on recycling options to increase diversion while meeting the needs of both rural and urban residents of the county.
