*"Site boundaries depicted on the site map represent  
ADEQ's interpretation of data available at the time  
the map was constructed. The map is intended to  
provide the public with basic information as to the  
estimated geographic extent of known contamination  
as of the date of map production. The actual  
extent of contamination may be different. Therefore,  
the geographic boundaries for this site may change  
in the future as new information becomes available."*
