Subject: Responsiveness Summary –
Feasibility Study Work Plan
West Van Buren Area WQARF Site
Phoenix, Arizona

Dear Mr. Chiaradia:

Please find enclosed a responsiveness summary for ADEQ's comment letter dated 01 February 2013 regarding the *Feasibility Study Work Plan, West Van Buren Area WQARF Site, Phoenix, Arizona* prepared by Haley & Aldrich on behalf of the West Van Buren WQARF Site Working Group, and dated 06 September 2011. For clarity, our response-to-comments are provided in italics.

ADEQ SPECIFIC COMMENTS

1. Section 2, 3rd paragraph, 1st sentence – The Work Plan should reference the final Remedial Investigation Report dated August 2012.

The text and references have been updated to reflect the issuance of the Final RI Report (August 2012), which also includes as appendices the Land and Water Use Report dated March 2012 and the Remedial Objectives Report dated August 8, 2012. Section 5.3 of the document has been updated to replace the draft Remedial Objectives with the final Remedial Objectives. Figures 4 through 7 have been changed to the final RI figures.

2. Section 2.2 – The City of Tolleson should be identified as an adjacent water provider.

This section was revised to identify the City of Tolleson as an adjacent water provider.

3. Section 3.1.4, 1st paragraph, 1st sentence – The Department of Energy (DOE) address should be corrected to 43rd Avenue instead of 43rd Street.

The DOE address was changed from Street to Avenue.

4. Section 4.1, 2nd paragraph, 1st sentence – This sentence should be corrected to note that ChemResearch Company, Inc. (CRC) has conducted soil excavation as part of remedial activities.

This paragraph was revised to note that CRC has conducted soil excavation as part of remedial activities. Section 3.1, 2nd paragraph, last sentence, Section 3.1.3, 3rd paragraph, last sentence, and Table I were also revised accordingly.

OTHER MINOR CHANGES

1. Section 1, 1st paragraph – The list of West Van Buren WQARF Site Working Group members was updated.
2. Section 2.4.1, last sentence of 2nd paragraph – This sentence was changed to be consistent with information provided in Section 3.4.1 of the Final RI Report.
3. Section 3.1.1, 1st paragraph, 2nd sentence – The Air Liquide address was changed from 201 to 301 South 45th Avenue.
4. Regarding the References section of the Work Plan, the following additional references were added: Final RI Report (Terranext, August 2012); Land and Water Use Report (Terranext, March 2012); and Remedial Objectives Report (ADEQ, August 2012).
