

# PUBLIC NOTICE

**NOTICE OF  
SOLICITATION OF REMEDIAL OBJECTIVES FOR  
THE 7<sup>TH</sup> STREET AND ARIZONA AVENUE  
WATER QUALITY ASSURANCE REVOLVING FUND (WQARF) SITE**

The Arizona Department of Environmental Quality (ADEQ), pursuant to Arizona Administrative Code (A.C.C) R18-16-406(I)(1), is soliciting Remedial Objectives (ROs) for the 7<sup>th</sup> Street and Arizona Avenue WQARF Site in Tucson, AZ. ROs, as defined in A.C.C. R18-16-406(I), are the clean-up goals determined for a specific site and consider the current and reasonably foreseeable uses of land and waters of the state.

The 7<sup>th</sup> Street and Arizona Avenue WQARF Site is located in central Tucson, and is bounded approximately by 7<sup>th</sup> Street to the north, Herbert Avenue to the east, 5<sup>th</sup> Avenue to the west, and Downtown Auto Center and Towing on the parcel to the south. The site consists of the former Oliver's Cleaners facility, now a parking lot, and the associated (non-drinking water) groundwater and soil that are contaminated with tetrachloroethene (PCE), trichloroethene (TCE), and cis-1,2-dichloroethene (cis-DCE) over regulatory limits. The approximate WQARF boundary is based on the extent of the PCE contaminated groundwater plume underlying the site. Contaminants of concern at the site may change as new data become available.

A PUBLIC MEETING of the Park Euclid/7<sup>th</sup> Street & Arizona Avenue Community Advisory Board (CAB) is scheduled for February 18, 2014 at 5:30 p.m. at the State of Arizona Regional Office Complex, 400 West Congress, North Building, Conference Room 158, Tucson, Arizona. All interested parties will be given an opportunity at the meeting to verbally propose ROs and submit written proposed ROs and information regarding proposed ROs for the Site.

PARTIES WISHING TO submit proposed ROs and information regarding proposed ROs for the Site also may make such comments in writing to ADEQ, Attention: Robert Wallin, Project Manager, Superfund Programs Unit, Arizona Department of Environmental Quality, 400 West Congress, Suite 433, Tucson, Arizona, 85701, and reference this listing.
