

PUBLIC NOTICE
OF
PROPOSED SOIL AND GROUNDWATER CLEANUP

In accordance with Arizona Revised Statutes § 49-1005.H and Title 40 Code of Federal Regulations § 280.67, the Arizona Department of Environmental Quality (ADEQ) is providing notice that a Corrective Action Plan (CAP) has been proposed for the remediation (i.e., cleanup) of soils and groundwater that have been contaminated with petroleum as a result of a leaking Underground Storage Tank (UST) system at the following facility:

**RE: LUST No.4502.01-.03
 Facility ID No.0-001307
 Pinal County**

**Circle K Store # 00785
5960 South 12th Avenue
Tucson, Arizona 85706**

Soil Vapor Extraction and Air Sparge System:

Existing soil and groundwater contamination at the referenced site will be remediated using an active soil vapor extraction and air sparge system. During soil vapor extraction, vapors are extracted from the contaminated area and treated. In air sparging, air is injected into contaminated groundwater to volatilize the contaminants, which are recovered and treated at the surface, if required by the applicable laws. To evaluate the effectiveness of the systems, periodic monitoring of contaminant levels will be required by ADEQ. Once contaminant levels decrease to below cleanup standards, the site may be eligible for closure.

A copy of the CAP is available for review during normal business hours at the ADEQ Records and Library Review Area, 1110 W. Washington Street, Ste. 140, Phoenix, AZ 85007 and the Valencia Library located at 202 West Valencia Road, Tucson, AZ 85706-6822. ADEQ encourages public participation in UST corrective actions and welcomes comments on the proposed CAP. A public comment period is in effect from November 17, 2004 through December 24, 2004. Comments should be submitted in writing by December 24, 2004, to ADEQ Tank Programs Division, Corrective Action Section SIRU II Unit, and Attention: David Burchard, 1110 W. Washington Street, Phoenix, AZ 85007. If sufficient public interest has been demonstrated within 30 days of this notice, ADEQ will announce and hold a public meeting. ADEQ will respond to comments in writing, following the public comment period. For more information on this notice, please call (602) 771-4298 or (800) 234 - 5677, ext. 771-4298.
