

## INSTRUCTIONS FOR RENEWING A TYPE 3 GENERAL AQUIFER PROTECTION PERMIT DISCHARGE AUTHORIZATION

### INSTRUCTIONS

This form allows a permittee to renew a Type 3 General Permit. The renewal period for coverage under a Type 3 General Permit begins on the date the Department receives the Notice of Intent to Discharge (NOI). The permittee shall submit this application for renewal at least 30 days before the end of the renewal period. Type 3 general permits need to be renewed in accordance with Arizona Administrative Code R18-9-A303 or they will expire. The renewal period for each Type 3 general permit is FIVE years.

### FEE

The renewal fee is \$1,500.00 Standard/\$2,500.00 Complex per Type 3 General Permit. The Type 3.01 and 3.04 general permits will require the \$2,500 complex fee. All other Type 3 permits will require the standard fee. An additional \$50 is required if the permittee listed in the original Notice of Intent is different than the one listed on the Notice of Intent to Discharge or most recent renewal/transfer form.

### SITES WITH MULTIPLE PERMITS

Sites with multiple permits must submit multiple renewal forms with the applicable fee. If a site contains more than one facility covered by the same Type 3 general Permit and each facility is substantially similar in design, construction, and operation, the first facility is paid at the full applicable fee and each additional facility is half the applicable fee. For example, if a site has three Type 3 general permits and needs to be renewed, the permittee would need to submit three Renewal Forms and a fee of \$3,000.00 Standard or \$5,000.00 Complex.

### WHAT HAPPENS IF MY PERMIT HAS EXPIRED?

If your permit has expired you will need to resubmit the Type 3 NOI with the fee that is outlined in the NOI. You do not need to submit the NOI supplement as long as you clearly indicate in your cover letter that your permit has expired.

### WHEN DOES THE RENEWAL PERIOD BEGIN?

The renewal period for coverage under a Type 3 General Permit begins five years to the day that ADEQ issues a written Discharge Authorization
