

INSTRUCTIONS FOR RENEWING A TYPE 2 GENERAL AQUIFER PROTECTION PERMIT DISCHARGE AUTHORIZATION

INSTRUCTIONS

This form allows a permittee to renew a Type 2 general permit. The renewal period for coverage under a Type 2 general permit begins on the date the Department receives the Notice of Intent to Discharge (NOI). The permittee shall submit this application for renewal at least 30 days before the permit date of expiration. Type 2 general permits need to be renewed in accordance with Arizona Administrative Code R18-9-A303 or they will expire. The renewal period for each Type 2 general permit is as follows:

General Permit Type	Description	Renewal Period in Years
2.01	Drywells that Drain Areas Where Hazardous Substances are Used, Stored, Loaded or Treated	5
2.02	Intermediate Stockpiles at Mining Sites	7
2.03	Hydrologic Tracer Studies	2
2.04	Drywells that Drain Areas Where Motor Fuels are Used, Stored or Loaded	5
2.05	Capacity, Management, Operation, and Maintenance of a Sewage Collection System	5
2.06	Fish Hatchery Discharge to a Perennial Surface Water	5

FEES

The renewal fee is \$500.00 Standard / \$1,000.00 Complex per Type 2 general permit. Only the Type 2.02 general permit will require the \$1,000 complex fee. All other Type 2 permits will require the standard fee. An additional \$50 is required if the permittee listed in the original Notice of Intent is different than the one listed on the Notice of Intent to Discharge or most recent renewal/transfer form.

SITES WITH MULTIPLE PERMITS

Sites with multiple permits must submit multiple renewal forms with the applicable fee. If a site contains more than one facility covered by the same Type 2 general Permit and each facility is substantially similar in design, construction, and operation, the first facility is paid at the full applicable fee and each additional facility is half the applicable fee. For example, if a site has three Type 2 general permits and needs to be renewed, the permittee would need to submit three Renewal Forms and a fee of \$1,000.00 Standard or \$2,000.00 Complex.

WHAT HAPPENS IF MY PERMIT HAS EXPIRED

If your permit has expired, you will need to resubmit the Type 2 NOI and the NOI Supplement as a new application with the associated fees.

HOW LONG DOES IT TAKE

As soon as you submit the renewal application you are covered by this general permit. ADEQ will send you a notice confirming receipt of your renewal form.
