

CHANGE OF OWNERSHIP OF AN EXISTING REGISTERED DRYWELL(S)

INSTRUCTIONS

You may change existing registered drywell owner information by sending this completed form to the address below along with a \$50.00 transfer fee, per drywell.

DRYWELL REQUIREMENTS

Drywells **can only receive storm water runoff** or discharges that are exempt per A.R.S. §49-250. If other fluids have been directed to the drywell, it is subject to Aquifer Protection Permit (APP) and/or closure requirements and may be considered an underground injection well that requires both ADEQ and USEPA permitting. Spills to the drywell may also trigger permitting, clean closure, or enforcement actions.

An APP is required for any drywell located in an area where hazardous substances are used, stored, treated or loaded. **The permitting requirement may not apply if the Site Plan clearly demonstrates that the site is graded or engineered such that drywell(s) cannot receive runoff or spills from chemical handling areas.**

FEES

There is a \$50.00 transfer fee, per drywell.

HOW LONG DOES IT TAKE

As soon as you submit the application and appropriate fee, ADEQ will send you a notice confirming receipt of your drywell(s) change of ownership.

WHERE DO I SUBMIT MY APPLICATION?

Mail Forms and Fees to: ADEQ Ground Water Section
LTF Clerk
1110 W. Washington Street
Phoenix, AZ 85007
