Re: Arizona's 8-Hour Ozone Area Designation Recommendations

Dear Mr. Nastri:

Pursuant to Section 107(d)(1) of the Clean Air Act, Arizona hereby submits the following 8-hour area designation recommendation for all areas of the State outside of Indian Country.

Arizona recommends that all parts of the State (except for Indian Country) be designated attainment/unclassifiable, except for portions of Maricopa County as defined in the Enclosure. Arizona's supporting analysis for this recommendation will be provided to you by Stephen Owens, Director of the Arizona Department of Environmental Quality, under separate cover.

I look forward to working with you to finalize the designation by April 15, 2004. If you have any questions, please contact Director Owens at (602) 771-2203 or Nancy C. Wrona, Director, Air Quality Division, at (602) 771-2308.

Yours very truly,
