Globe Plays Host to Environmental Resources Road Show Tuesday, Jan. 21 at Gila County Courthouse

PHOENIX (Jan. 7, 2014) – Arizona Department of Environmental Quality officials announced today that they and partners ADOT Adopt a Highway Programs and Keep Arizona Beautiful (KAZB) will conduct an “Environmental Road Show” in Globe on Tuesday, Jan. 21 to assist Globe/Miami and other Gila County residents with a range of resources to address potential environmental problems.

The event will be held from 1 p.m. until 3 p.m. at the Gila County Courthouse/County Building in Globe, 1400 E. Ash Street.

ADEQ staff will be on hand to discuss potential recycling funding opportunities, future electronic waste recycling events and brownfields grant opportunities. The Adopt a Highway officials will talk about the process for volunteers to adopt sections of Arizona highways for litter cleanup. KAZB officials will discuss their statewide litter prevention and beautification programs. Representatives of each agency will conduct a PowerPoint discussion during the two-hour event.

“These kinds of events are great for state agencies and nonprofits to get the word out about how they can assist residents around Arizona and listen to their concerns,” said ADEQ Director Henry Darwin.

The free event is open to all community members, business people, public officials and school representatives in Globe and Miami and the remainder of Gila County. Please contact J.B.
