Casa Grande Plays Host to Environmental Resources Road Show Wednesday, March 25 at City Hall

PHOENIX (March 10, 2015) – Arizona Department of Environmental Quality officials announced today that they and partners ADOT Adopt a Highway Programs and Keep Arizona Beautiful (KAZB) will conduct an “Environmental Resources Road Show” in Casa Grande on Wednesday, March 25 to assist Pinal County residents with a range of resources to address potential environmental problems.

The event will be held from 11 a.m. until 1 p.m. at Casa Grande City Hall, 510 E. Florence Blvd.

ADEQ staff will be on hand to discuss potential recycling funding opportunities, future electronic waste recycling events, food recovery program and brownfields grant opportunities. Adopt a Highway officials will talk about the process for volunteers to adopt sections of Arizona highways for litter cleanup. KAZB officials will discuss their statewide litter prevention and beautification programs. Representatives of each agency will conduct a PowerPoint discussion during the two-hour event.

“These kinds of events are great for state agencies, municipalities and nonprofits to get the word out about how they can assist residents around Arizona and listen to their concerns,” said ADEQ Director Henry Darwin.

The free event is open to all community members, business people, public officials and school representatives in Casa Grande, Maricopa, Coolidge, Eloy, Florence and the remainder of Pinal County.
