G. DELEGATION OF ENFORCEMENT AUTHORITIES; LOCAL AGENCY OBLIGATIONS

1. This Agreement is subject to the provisions of A.R.S. § 49-106 concerning statewide application of rules.
2. As a supplement to any independent statutory authority LA may have, LA is hereby delegated the enforcement authorities pursuant to A.R.S. §§ 44-1307, 49-141, 49-142, 49-261, 49-262, 49-354 (A) and (B), 49-460 through 463, 49-781 through 783, 49-791, 49-922(B), 49-923 and 49-924, as applicable to the delegated Functions and Duties specified in this Agreement.
3. The LA shall be responsible for initiating timely and appropriate enforcement actions for alleged violations by individuals and facilities affected under this Agreement. The LA agrees to the extent practical to make compliance determinations and conduct enforcement actions in accordance with ADEQ's Compliance and Enforcement Handbook. The LA shall use inspection checklists and boilerplate documents provided by ADEQ or such documents that contain the same content as those documents provided by ADEQ.
4. ADEQ retains its authority to take an enforcement action against any individual or facility, the regulation of which is specified in this Agreement. At its discretion, ADEQ may refrain from exercising such authority if ADEQ determines that the enforcement action taken by the LA is timely, appropriate and effective. Except in a case involving an immediate threat to the public health, safety or environment, ADEQ shall give the LA 30 days prior written notice of its intent to initiate an enforcement action if the LA fails to initiate such enforcement action. In a case involving an immediate threat to the public health, safety or environment, ADEQ shall make its best efforts to notify the LA prior to its undertaking such an enforcement action.
5. Where appropriate, and if there is no conflict with applicable environmental statutes and rules, LA may conduct enforcement action using the authority provided by A.R.S. Title 36 or A.R.S. Title 49, Chapter 3, Article 3. Nothing herein shall preclude LA from independently initiating enforcement action pursuant to its own authority under A.R.S. §§ 36-602, 36-603, 49-143, and 49-144, or any other civil or criminal statute or local ordinance, or from pursuing any other available legal or equitable remedy.

6. In those cases where the Attorney General has exclusive authority to bring an action to collect civil penalties, ADEQ shall timely notify the Attorney General of the LA's request to initiate an enforcement action, and such enforcement action shall be coordinated among the LA, ADEQ, the Attorney General and the LA's County Attorney.
7. In cases of civil enforcement, the LA and ADEQ shall coordinate litigation and settlements, unless the LA has independent statutory enforcement authority. The LA and ADEQ may act as co-plaintiffs in order to maximize resources.
8. In cases where LA and ADEQ are co-plaintiffs involving alleged violations that require civil penalties to be deposited in the state general fund, all civil penalties collected shall be forwarded to ADEQ with copies of court documentation for deposit into the state general fund. Unless otherwise required by law, in all other cases where LA and ADEQ are co-plaintiffs, all civil penalties collected shall be divided equally unless other mutually agreeable arrangements are made prior to the commencement of the action.
9. ADEQ may execute compliance initiatives directed at certain classes of violations or facilities that are alleged to be in violation of applicable statutes or rules. When possible, ADEQ will provide the LA with 30 days prior written notice of such initiatives. To the best of its ability, the LA agrees to cooperate in the successful execution of such compliance initiatives that involve facilities, the regulation of which has been delegated by this Agreement.

#### H. APPEALS OF LOCAL AGENCY ACTIONS

1. Unless otherwise provided by statute, LA shall conduct administrative hearings for appeals of licensing decisions and enforcement actions taken by the LA under the delegated Functions and Duties of this Agreement in accordance with the A.R.S. R2-19-101 *et seq.* The LA shall use administrative law judges provided by the Office of Administrative Hearings (OAH). If an OAH administrative law judge conducts an administrative hearing under this Agreement, ADEQ shall pay for the OAH's costs on behalf of the LA related to the hearing. The LA, the LA's County Attorney, or counsel retained by LA, shall represent the LA at all administrative hearings. Nothing in this agreement mandates that the LA contract for the services of administrative law judges with respect to administrative hearings involving matters arising from the LA's independent authority, functions and duties.
2. Pursuant to A.R.S. § 12-904, if the OAH administrative law judge grants or denies the relief requested, either the appellant or the LA may file a complaint in superior court within 35 days after the decision.
3. The LA shall provide ADEQ an annual report by July 31<sup>st</sup> of appeals filed and their final

resolution.

#### I. LICENSING AUTHORITY

1. The LA agrees to comply with the overall time frames set forth in A.A.C. R18-1-525 when issuing licenses pursuant to delegated Functions and Duties under this Agreement. The LA shall provide a quarterly report within 30 days after the end of the calendar quarter to ADEQ indicating the number of licenses issued that quarter, by general type of license, and the number of licenses that exceeded the licensing time frame for the licensing decision. If the LA fails to meet a licensing time frame, the quarterly report shall indicate the reason(s) why the licensing time frame was missed and the corrective action the LA has taken. If the LA demonstrates a pattern of failing to meet the required licensing time frames, ADEQ shall assist the LA in correcting the deficiencies in LA's licensing procedures.
2. The LA shall submit the quarterly reports described in subsection 1 of this Section to the ADEQ primary contact person designated in Appendices A through D of this Agreement.

#### J. LOCAL AGENCY INDEPENDENT AUTHORITY; SUBDELEGATION

1. ADEQ's delegation of Functions and Duties to a municipality within the LA's boundaries shall in no way infringe upon, reduce or usurp the LA's right, authority and responsibility to implement non-delegated authorized activities and programs.
2. The LA may not sub-delegate Functions and Duties delegated pursuant to this Agreement to another local government agency or political subdivision without obtaining the prior written approval of the Director of ADEQ.
3. ADEQ shall provide the LA a copy of any delegation agreement it has entered into with a municipality, located in whole or in part within the LA's boundaries.

#### K. CONFLICT RESOLUTION PROCEDURES

The parties may resolve a conflict arising under this Agreement through arbitration. If the parties invoke this provision, the parties shall select a mutually acceptable third party as arbitrator. Each party shall bear its own arbitration fees, attorney fees and costs.

#### L. AMENDMENT AND TERMINATION PROCEDURES

1. Either party may seek to amend this Agreement. An amendment to this Agreement shall be in writing, shall be executed by the Director of ADEQ, the Director of the LA, the Chairman of the LA's Board of Supervisors, the Clerk of the LA's Board of Supervisors, and shall be approved as to form by the Attorney General and the LA's County Attorney.

Amendments shall comply with the provisions in A.R.S. § 41-1081. Amendments to this Agreement shall be effective 30 days after written notice of ADEQ's final decision to amend this agreement and approval by all parties.

2. This Agreement may be terminated, in whole or in part, by either party upon providing 30 days prior written notice by certified mail to the other party and in compliance with subsection 3 of this section.
3. The LA shall, prior to the termination of all or part of this Agreement, forward to the ADEQ Director all files, public documents and pending applications received by the LA for those delegated Functions and Duties being terminated, a summary status report of those delegated Functions and Duties, and shall provide written notification to all persons with pending applications and to all regulated facilities affected by the termination of this Agreement.
4. The cancellation provisions of A.R.S. § 38-511, the terms of which are incorporated by reference, shall apply to this Agreement.

#### M. TERM OF AGREEMENT

Unless otherwise stated, this Agreement is effective 30 days after written notice of ADEQ's decision to enter into this Agreement and approval by all parties. This Agreement shall expire on June 30, 2050. If a new Agreement is not executed by that date, ADEQ and the LA may agree to extend this Agreement by filing an amendment in accordance with Section L of this Agreement.

The delegated Functions and Duties specified in Subpart A of this Appendix shall be subject to the following exceptions and special provisions:

1. ADEQ will provide the LA a copy of the draft Individual Aquifer Protection Permit for review and comment for any sewage treatment system proposed within the LA's jurisdictional boundaries.

2. Within 60 days after the effective date of this Agreement, ADEQ and the LA shall jointly develop and approve a schedule of training for administering delegated Functions and Duties.
3. Within 180 days after the effective date of this Agreement, ADEQ and the LA shall jointly develop and approve the process to ensure maintenance of LA proficiencies for the administration and implementation of delegated Functions and Duties in Appendix A, Subpart A of this Agreement.
4. The Director of ADEQ shall not accept, directly from an applicant any application package that involves the performance of a delegated Function or Duty. However, if the Director of ADEQ determines there is a compelling reason for ADEQ to review and/or approve an application package that involves a delegated Function or Duty, the LA shall provide the application package to ADEQ upon written request by the Director of ADEQ. ADEQ shall forward a copy of the completed file to the LA for any application package reviewed and/or approved by ADEQ.
5. Functions, and duties of ADEQ related to the following are NOT delegated:
  - a. Public water systems, wastewater, swimming pool facilities or Certificates of Approval for Sanitary Facilities for Subdivisions;
    - i. owned by the federal government or the State of Arizona;
    - ii. owned, operated or designed by or for the LA;
    - iii. owned or operated by districts subject to the control of the LA;
  - b. Those relating to facilities financed, either wholly or in part, with federal grant funds administered by ADEQ. ADEQ shall provide a list of such facilities to the LA.
  - c. Those related to the implementation of A.A.C. R18-9-A312(G) where:
    - i. the request is beyond the scope of the technologies delegated to the LA;
    - ii. the request proposes a change to the listed performance criteria or hydraulic loading rates specified in A.A.C. R18-9-E302 through R18-9-E323, A.A.C. R18-9-A309(E) or in any ADEQ approved design reference document;
    - iii. the request proposes a change to the relationship between soil absorption rate and either the percolation rate or the soil type, as established in A.A.C. R18-9-A312(D), except for adjustments due to the fraction of rock present in native soil;
    - iv. the request proposes a change to the relationship between the total coliform concentration, and the minimum vertical separation to the seasonal high water table or from a subsurface limiting condition, as established in A.A.C. R18-9-A312(E).
6. Although approval of any public water system, wastewater facility or swimming pool facility which is designed by or for the LA, or for a capital improvement project, is NOT delegated to the LA, this exception does not prohibit or otherwise affect later assignment or transfer to the LA of a public water system, wastewater facility or swimming pool facility having a construction completion approval issued by the LA, if the LA issues a construction completion approval before the owner of the private facility dedicates it to the LA. A private facility to be dedicated to the LA after completion of construction may be reviewed by the LA if all approvals and licenses are issued to the owner of the private facility prior to the date of the dedication to the LA. If the LA issues an initial construction authorization and a facility is later assigned or transferred to the LA before the LA issues a construction completion approval, the LA must obtain both new initial construction approval and construction completion approval from ADEQ.
7. Functions and Duties delegated to LA relating to Public Water Systems are limited to licensing decisions for issuance or denial of an ATC or AOC certificate for City of Tucson drinking water main line extensions and/or main line replacements (and associated appurtenances) projects.

8. ADEQ and LA agree to co-inspect wastewater facilities, where feasible, for training and coordination purposes.
9. For purposes of performing and reporting delegated Functions and Duties specified in Appendix A of this Agreement, the LA shall use forms provided by ADEQ. 11. For the purposes of determining project costs under this Agreement, project cost is determined by the sum of the following cost categories:
  - a. preparation of submittal quality design documents and related application documents for the project proposed for installation,
  - b. all equipment/components/materials delivered to the construction site,
  - c. all excavation & backfill,
  - d. all installation of equipment/components/materials, and
  - e. all tasks associated with pre-operational testing & startup.
12. Within 60 days after the effective date of this Agreement, the LA shall provide ADEQ copies of all existing LA written policies utilized by the LA to perform delegated Functions and Duties.
