Re: Request for Written Interim Decision

Dear Director Grumbles:

This Firm represents Prudential Overall Supply, Maricopa Land & Cattle Company and United Industrial Corporation, members of the West Van Buren WQARF Registry Site stakeholder group.

Pursuant to A.R.S. § 49-116, we request that the Arizona Department of Environmental Quality make a written interim decision that the Early Response Action proposed by Roosevelt Irrigation District does not meet the technical criteria set forth in A.A.C. R18-16-405.

Sincerely,

  
Carla Consoli
