**Re: West Van Buren WQARF Site
Roosevelt Irrigation District Well Investigation Work Plan**

Dear Ms. Thies:

Our client Corning Incorporated joins in the comments submitted this week to ADEQ by the consultant for Honeywell International Inc. regarding the Roosevelt Irrigation District Well Investigation Work Plan ("WP") prepared by Montgomery & Associates on behalf of the Roosevelt Irrigation District ("RID"). For the reasons set forth by Honeywell's consultant, the WP fails to meet and is inconsistent with ADEQ's requirements for its conditional approval of RID's proposed Early Response Action.

Thank you for this opportunity to comment on RID's WP.

Sincerely,
