I certify that notifications of the lead tap monitoring result were distributed to persons served by the taps tested within 30 days of receipt of the lab results and that the notices contained the following required information:

- Lead results for the tap that was tested (including action level and MCLG information)
- Health effects of lead
- Steps consumers can take to reduce exposure to lead in drinking water
- Contact information for the water utility

Name of System Owner/Representative (Print)	Signature	Date
--	-----------	------

Attach a copy of the lead consumer notice distributed and send to ADEQ, Drinking Water Monitoring & Protection Unit, 1110 W. Washington St, Mail Code 5415B-2, Phoenix, AZ 85007 or via fax to 602-771-4634.

This certification form must be received by ADEQ within 3 months of the end of the applicable monitoring period.
