5. ADEQ Program Overview "Notice of Transfer Process for Septic Owners"
"Notice of Transfer Process for Septic Owners" presented to MCESD by Misael Cabrera
6. Presentation of "The ADEQ Way"
 - Evaluate everything we do for its impact on the mission.
 - Hire only those who believe in our way and have a passion for their work.
 - Train those who cannot, replace those who will not, and promote those who excel.
 - Never hide a problem – respect others enough to be honest, even if the truth is uncomfortable.
 - Do not blame, but hold each other accountable.
 - Involve end users early and often when creating or improving services.
 - Never stop asking why.
 - Continuously design and redesign for quality and radical simplicity.

- *Freely discuss, promptly decide, and totally commit.*
- *Do not fear failure.*

12:30-12:45 pm 15 Minute - Humane & Snack Break

12:45 pm OWAC Discussion

1. OLD BUSINESS:

- a. National reports Joelle Wirth
 - i. Issue paper on new technology
Whole house incinerating toilet. Product information is available from Ecojohn. The design flow can be adjusted with an A312G coupled with a vault.
 - ii. Request to committee and agency consideration of a process
ADEQ needs to document and disseminate information about how program questions are answered. In year's past they were memorialized with PGMs, Rule Clarifications, etc. How can program information be sent out to the stakeholders? FAQ section?
 - iii. Review of NSF Joint Committee meeting
 - *Effluent Filters-The committee was not able to determine what a service period should be.*
 - *Standard 40-started as only aerobic treatment units. Other systems have been added to this. Suggested that there be subgroups of Standard 40 that respects the already tested and approved treatments.*
 - *High Strength Waste-Restaurants*
 - *Reuse-rainwater harvesting. Canada has drafted an ISO guideline. Going to consider this for the US.*
 - *Flushable products-*
 - *Aggregate-Washed concrete and tire chips too varied to be consistently equal to or better than natural aggregate.*
