WWW.CASAGRANDEAZ.GOV

Residents from the following communities are also invited:
Arizona City, Coolidge, Eloy, Florence and the Casa Grande
planning area.

Sponsored by:

"The City of Casa Grande is not liable for the protection of any information stored on the hard drive of any computer dropped off for recycling. Computers dropped off for recycling may be refurbished and/or resold by a third party. The City of Casa Grande recommends that any person dropping off a computer remove all hard drive data, particularly any sensitive data, with a program that meets Department of Defense standards prior to delivering the computer to the City of Casa Grande for recycling."
