Sierra Vista Plays Host to Environmental Resources Road Show Nov. 14 at City Hall Council Chambers

PHOENIX (Nov. 5, 2013) – Arizona Department of Environmental Quality officials announced today that they along with partners Keep Arizona Beautiful (KAZB) and the ADOT Adopt A Highway Programs will conduct an “Environmental Resources Road Show” in Sierra Vista on Thursday, Nov. 14 to assist city and Cochise County residents with a range of resources to address potential environmental problems.

The event will be held from 9 a.m. until noon at City of Sierra Vista City Hall Council Chambers, 1011 North Coronado Drive.

ADEQ staff will be on hand to discuss potential recycling funding opportunities, future electronic waste recycling events and brownfields grant opportunities. KAZB officials will discuss their statewide litter prevention and beautification programs. The Arizona Department of Transportation Adopt A Highway Programs officials will talk about the process for volunteers to adopt sections of Arizona highways for litter cleanup. Representatives of each agency will conduct a PowerPoint discussion during the two-hour event.

“These kinds of events are great for state agencies and nonprofits to get the word out about how they can assist residents around Arizona and listen to their concerns,” said ADEQ Director Henry Darwin.

The free event is open to all community members, business people, public officials and school representatives in Sierra Vista and Cochise County. Please contact J.B.
